

Fremont Street Eats

Located on Capitol Ave.
between Liberty St. and
State St. every Friday through
Oct 25th, from 4:30-9pm.

**You don't have to cook
dinner on Fridays!**

Each Friday, we will feature two Chamber members who want to wow the crowds with their products and services. Participating members will be allowed a 10'x10' exhibit space where they can sell, demonstrate, educate and entertain our guests at Fremont Street Eats. And the best part...it's free!

It's just one more opportunity to show our community what your business has to offer, and it's one more opportunity exclusive to Chamber members.

Interested in being a part of this new promotional opportunity? Contact KK Kaneshiro at 510-795-2244 or email kkaneshiro@fremontbusiness.com to book your space now! Members are booked on a first come, first served basis so be sure to book your space early.

CONDITIONS FOR PARTICIPATION:

- Must be a member in good standing.
- The exhibit spot is offered at no cost to member.
- Member may pass out brochures, collect leads, conduct game or activity or sell product(s) or services.
- Exhibit may not exceed 10'x10'. Member must bring own table/chairs/power source.
- Members may participate twice during the Fremont Street Eats season. Fremont Street Eats ends Friday, November 2, 2012 providing weather permits.
- There is currently a maximum of two (2) spots per week.
- We conduct a weekly drawing at the event and participating members are encouraged to donate a raffle prize to further their promotional efforts.
- Members are responsible for the clean-up of their own space as well as garbage disposable. Members are required to make a cleaning deposit of \$100. Should member exhibit area be left clean, deposit will be returned.
- With the exception of member restaurants, members are not allowed to provide food or beverage of any type, this includes wrapped candy.
- Member restaurants may participate by providing food, however, they are responsible for obtaining a temporary health permit for special events. There is no BBQ or cooking of any kind allowed. In accordance with Health Department regulations, food may only be served within a covered and screened facility.
- No animals or balloons are permitted.
